Transatlantic Superyacht & Maxi Regatta 2012

Notice of Race Amendment # 1

Para 16: MOORINGS

Change in Marina information:

For 2012, all participating boats will moor at the Contradique Central Llanos

The competitors should contact the Port Coordination Center (on duty 24 hours) to request anything they need (phone number +34922596863 or VHF channel 12).

Depending on what they request (water, collect of garbage, etc.) the Coordination Center will put them in contact with the right person. The Center will also inform on the arrival about the place where each boat should berth or any clarification regarding the mooring maneuver.

Water and Electricity are available. The Port Coordination Center needs to know a month in advance which boats will need electricity and what power they require.

Please cc info@internationalmaxiassociation.com with any email correspondence with the Port Coordination Center.
