

Rolex Capri Sailing Week/Volcano Race 2013 Amendment Number 4. to the Sailing Instructions

The Sailing Instructions are amended as follows:

Section 13.3 Marks

Replace the existing sentence with “Marks will be inflatable yellow 6 foot tetrahedrons except for the inner finish mark for races 1 and 4 (and the coastal course) which will be an orange cylinder with a flashing white light on top. If there is a course change for RACE 3, the change mark will be an orange cylinder. There may or may not be an offset mark if the change mark is in use.”

Section 18.2 Finish Line

The finish mark location is expressed in decimal degrees. Please refer to Sailing Instruction amendment number 3 for clarification of the location expressed in degrees, minutes and decimal minutes.

The finish line definition may also be used for the Coastal Race (Race 2).

Annex TWO

Course no. 6

Change “Finish to port...” to “Leave the finish mark to port....”.

Course no. 7

Change “Finish to starboard...” to “Leave the finish mark to starboard....”.

Section 17.5

Replace “Boats shall pass on the port side of the Committee Boat at no more than 0.3 n.m.” with “Boats shall pass between the shortened position and the Committee Boat which will place itself approximately 0.3 n.m. East of the shortened position.”.

Unofficial clarification, changes are to permit use of a different finish line inner limit mark, change mark and to permit use of Annex FOUR for the Coastal Race. Also to better define the finish of the shortened course for race 4.
